Price: \$28.99 + \$12.07 Shipping & Import Fees Deposit to China [Details](#)

- Stereo Music Playback – HS-BT06 Equips AptX decoder delivering high quality stereo music playback. And with dual 40mm drivers gives you excellent immersing experiences.
- Foldable Design and Compact Size – Take the headphone on the go and keep the music on! And with foldable design, it's convenient to slip it into your backpack and take it wherever you go.
- Long Battery Life – Long last battery maximizes your listening experiences. 16hr or more music playback time with only 2.5hr charging time! Never worry about being out of battery power.
- Built-in Dual Mic and On-Ear Control Buttons – HS-BT06 has more to offer than just being a normal headphone. Connect your cellphone to the headphone and free your hands. You can take phone calls with built-in dual mic and hang up phone calls by pressing the on-ear control button.
- Wireless(Bluetooth) and Wired – Giving you more options of listening your favorite music! Bluetooth connection allows you to connect any Bluetooth-enabled devices within 10m. And AUX IN jack to connect other music sources that don't support Bluetooth.

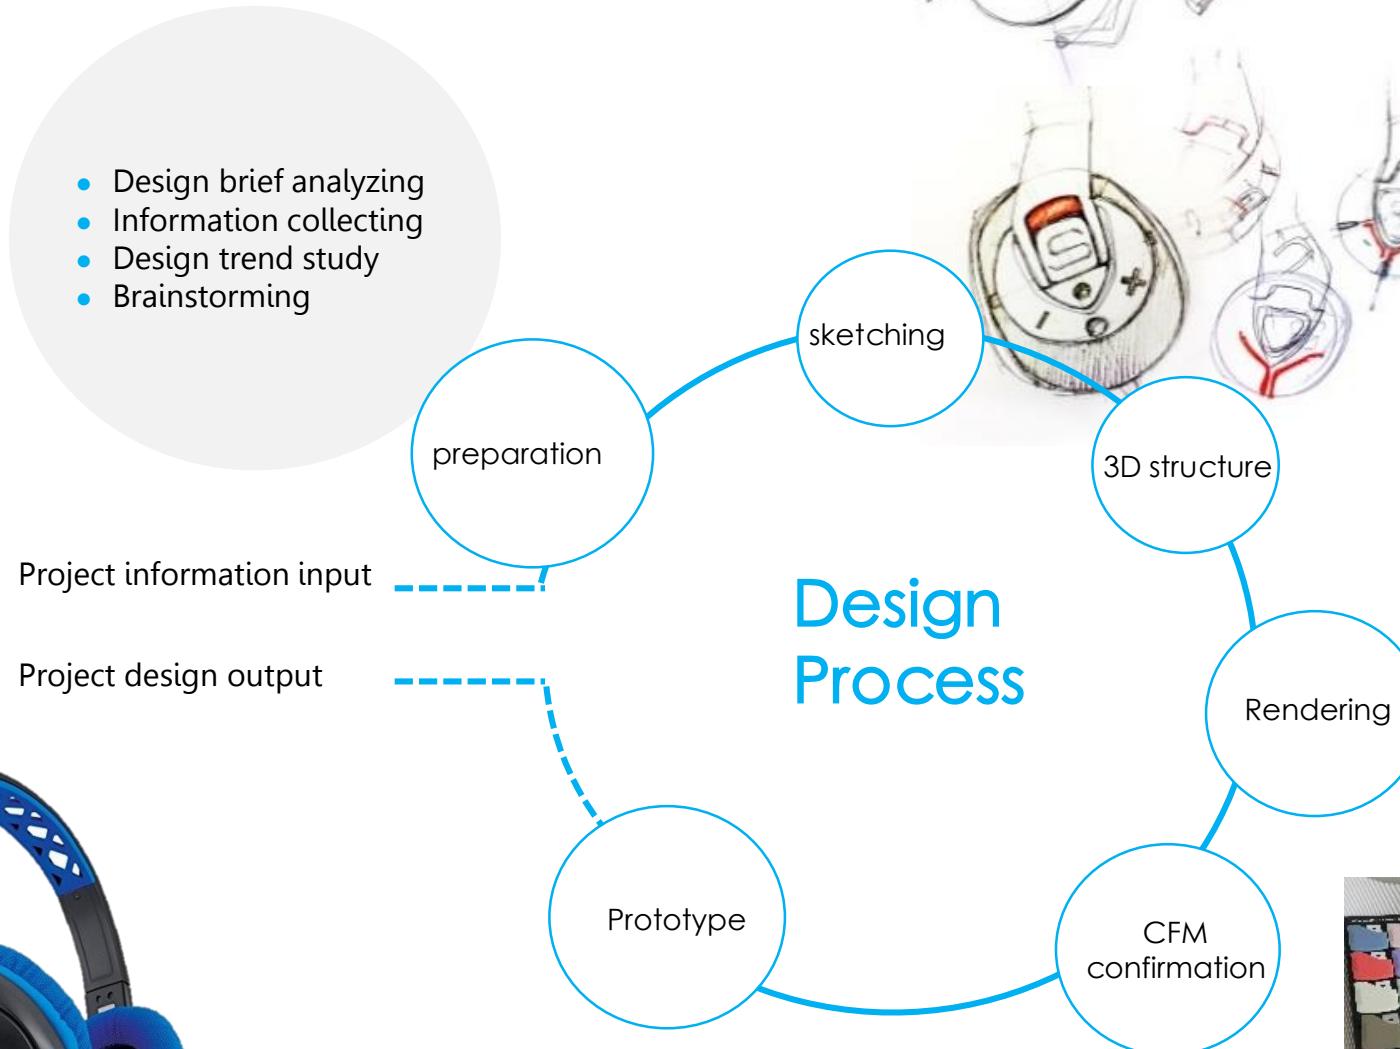

New (1) from \$28.99 & FREE shipping. [Details](#)
